## HIGHLIGHTS OF THE PET HEALTHCARE PROGRAM

United Pet Care, L.L.C. (UPC) offers a pet healthcare program that includes preventative, diagnostic, surgical, emergency and special areas of care. In-office medications are also included in the UPC Program. Members are responsible for the dollar amount and/or the difference from the savings (see "Schedule for Members") listed under "Member Payment /Savings" which is paid directly to the veterinarian's office.

### ⇒ Appointments

The address and phone number of the veterinary facility that you have selected is shown on your ID Card. To receive care, simply call the veterinary office selected for an appointment and present your membership card.

### SELECTING YOUR SCHEDULE

Each veterinary facility is participating in one schedule only.

There are differences between the **CHOICE**, **SELECT** and **BASIC** programs. It is important that you **thoroughly review the Provider Directory** to determine which schedule the provider you are choosing is participating in. Therefore, you must make sure that the veterinarian you have chosen corresponds with the schedule that you have selected.

### MEMBERSHIP

The United Pet Care membership is for a period of **one (1) year**.

If you are no longer affiliated with your employer, the **United Pet Care** program is portable and can be continued on an individual basis. Contact our office to avoid a lapse in coverage.

### CHANGING VETERINARY FACILITIES

It is necessary that you call the United Pet Care offices to change veterinary facilities. Transfers will be effective the **first (1<sup>st</sup>) of the following month. Mid month transfers** will be assessed a \$3.00 per pet transfer fee.

- **Refer to the Provider Directory.**  
**Not all facilities see all types of pets.**

**For Equine & Mobile Veterinarians:  
Refer to Provider List.**

**\*\*\* Veterinary Specialists can be found online at [www.unitedpetcare.com](http://www.unitedpetcare.com) or on a separate directory**

**\*\*\*\* These savings apply only to those medications received in the veterinarian's office. Prescriptions filled at outside pharmacies do not qualify for these savings.**

**Appointments must be canceled prior to scheduled time or a \$50.00 missed appointment charge will be incurred.**

UPC is not insurance and is not regulated by the Department of Insurance.
