## Sun Health Greatest Need

Sun Health Foundation is committed to bringing superior health and wellbeing to the West Valley of the Phoenix metropolitan area. While our roster of philanthropic efforts is extensive, we primarily focus on supporting:

- Banner Boswell Medical Center
- Banner Del E. Webb Medical Center
- Banner Sun Health Research Institute
- Sun Health Wellness, including wellness classes and services open to the community

## Emergency Department and Patient Care Transformation

- Expanding capacity from 45,000 patient visits annually to accommodate more than 60,000 patient visits annually
- Fulfilling increased equipment needs, including the addition of two CT scanners, ultrasound, X-ray and MRI machines
- Enhancing triage rooms, treatment areas and observation areas
- Increasing patient beds from 42 to 56
- Reducing patient and family wait times
- Building a space for future cardiac catheterization and electrophysiology labs
- Building a structural foundation above the emergency department for a future patient tower

## Cancer-Fighting Treatment and Care Advancement

- Expanding procedural rooms—one for thoracic and pulmonology procedures, an interventional room and a room for general diagnostics and therapeutics
- Advancing the technology used for endoscopies
- Performing new, minimally-invasive procedures to diagnose and treat lung cancer
- Acquiring a new upright, stereotactic surgical table with 3D imaging capabilities
- Streamlining patient care via staff and procedure integration
- Centralizing medical imaging, surgical, medical and radiation services in one location

## Spine and Orthopedics

- Acquiring portable surgery systems and surgical tables
- Expanding sterilization capabilities
- Funding new 4K monitors
- Walking patients through each step of their orthopedic and spine care journey
- Developing an enhanced Patient Care Navigator model that will include:
  - Answering any and all patient questions
  - Supporting patients to ensure they feel confident in their health care decisions
  - Working internally with the Banner Del E. Webb team to broaden classes and educational resources

## Women and Infant Services

- Creating a new obstetric triage unit on the second floor, “where expectant mothers will be matched with the appropriate level of immediate care”
- Adding five new beds for patients waiting to be admitted into labor and delivery
- Developing a new obstetric post-anesthesia care unit for mothers during recovery
- Expanding the inpatient nursery to provide greater comfort and privacy for patients and families
- Funding the addition of an 11th bed for nursery patients
- Responding to a groundswell of demand for women’s health care, strengthening families and communities

## Community Health and Wellness

Our programs target a wide range of individuals. While we offer numerous classes dedicated to general fitness, such as tai chi and strength training, many of our programs also tackle some of the most common health conditions that affect our local community, including Diabetes, Alzheimer’s disease, dementia and more. In addition, we also offer programs for hands-on hospital transitions, spa-like massage and acupuncture services and free online education resources, just to name a few. Together, these programs provide the support, guidance and resources needed to offer comprehensive solutions to individuals in our community.

## Employee Association

This association was created to provide monetary assistance to the members of the Sun Health Employee Association for circumstances such as the occurrence of any unexpected event or combination of circumstances that jeopardizes the individual’s health and welfare.

For questions about Better Together, please contact Joyce Wilt at (623) 471-8508 or [Joyce.Wilt@sunhealth.org](mailto:Joyce.Wilt@sunhealth.org)

**Thank you for supporting the Better Together Employee Giving Campaign!**
