 Sun Health Greatest Need

Sun Health Foundation is committed to bringing superior health and wellbeing to the West Valley of the Phoenix metropolitan area. While our roster of philanthropic efforts is extensive, we primarily focus on supporting:

- Banner Boswell Medical Center
- Banner Del E. Webb Medical Center
- Banner Sun Health Research Institute
- Sun Health Wellness, including wellness classes and services open to the community

 Banner Del E. Webb Medical Center Greatest Need

Banner Del E. Webb Medical Center opened its doors in 1988 and has been growing ever since to meet the healthcare needs of the communities in the northwest valley. Banner Del E. Webb Medical Center offers the following specialties and programs:

- Nationally recognized for excellent stroke care
- Cardiac services
- Women's health and maternity
- Robotic surgery and orthopedics

 Banner Boswell Medical Center Greatest Need

Banner Boswell has provided excellent patient care with compassion, integrity, and respect to the northwest area of metropolitan Phoenix since 1970. Banner Boswell Medical Center offers the following specialties and programs:

- Nationally recognized Heart Center
- Neuroscience programs, including the Joint Commission Certified Primary Stroke Center
- The orthopedic services by leading orthopedic physicians

 Community Health and Wellness

Our programs target a wide range of individuals. While we offer numerous classes dedicated to general fitness, such as tai chi and strength training, many of our programs also tackle some of the most common health conditions that affect our local community, including Diabetes, Alzheimer's disease, dementia and more. In addition, we also offer programs for hands-on hospital transitions, spa-like massage and acupuncture services and free online education resources, just to name a few. Together, these programs provide the support, guidance and resources needed to offer comprehensive solutions to individuals in our community.

 Employee Association

This association was created to provide monetary assistance to the members of the Sun Health Employee Association for circumstances such as the occurrence of any unexpected event or combination of circumstances that jeopardizes the individual's health and welfare.
